Label Dispenser

Qi1000

Next Generation Postage Meter

FULL COLOUR TOUCHSCREEN

Intuitive and easy to use with no specialised training required, our full colour touchscreen is simple and clear.

PRICING YOUR MAIL

In-line weighing at 90 letters per minute automatically prices post by calculating size, thickness & weight up to 1kg. An accurate weighing platform reduces costly stamping errors.

MIXED MAIL FEEDING

Eliminates the need for pre-sorting mail by size helping to reduce operational costs. Processes & seals up to 150 letters per minute.

LAN CONNECTIVITY

Re-crediting can be completed with ease ensuring you have postal funds available when you need them. No costly dedicated analogue phone line connection required.
