Colour Touchscreen

Internal and
External Scales

Letter Sealer

Label Dispenser

Automatic Feeder

Qi2000 Next Generation Postage Meter

FULL COLOUR TOUCHSCREEN

Intuitive and easy to use with no specialised training required, our full colour touchscreen is simple and clear.

PRICING YOUR MAIL

Dynamic Scale with patented four-point detection system that rapidly weighs and measures mail in-line, automatically categorising and rating it in compliance with Royal Mail regulations.

MIXED MAIL FEEDING

Eliminates the need for pre-sorting mail by size helping to reduce operational costs. Processes & seals up to 260 letters per minute.

LAN CONNECTIVITY

Re-crediting can be completed with ease ensuring you have postal funds available when you need them. No costly dedicated analogue phone line connection required.

HEAVY DUTY - HIGH VOLUME

A heavy duty, high volume machine that is built to last. High productivity with mixed mail feeding, dynamic scale and power conveyor. Ergonomic and easy to use, with intuitive full colour touchscreen and keyboard
